Schedule tweets

Twitter Example

Sugarloaf Orchards has over 100 years of FARMING EXPERIENCE.

#ncstatefarmersmarket with our #ncpeaches. #gottobenc

8:01 AM - 11 Jul 2017

Twitter Cons

Ads are limited

Not for everyone

Difficult to build a fast following

Instagram Pros

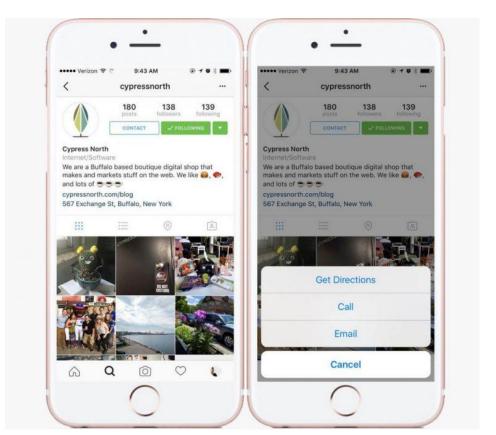

150 MILLION monthly active users

Ease of Contact

Simple Insights

Simplistic Photo Sharing

Simple Post Promotion

Instagram Example

Instagram Cons

No Desktop Feature

No Organic Social

Cannot schedule posts

Get Their Attention: Taking Great Images

Light, light, and more light, but maybe not a flash

Post editing apps

- Find the one that works best for the type of photos you are taking
- Helps correct exposure, white balance, clarity, and saturates colors that are washed out

Make it interesting!

- Shoot from different angles
- Use images to help tell the story

Are YOU Ready?
