 Candor, NC 27229

# 2024 NC Peach Growers' Society Annual Meeting

## January 23, 2024

## 8:00 am– 3:45 pm

NC Cooperative Extension  
 Moore County Center  
 707 Pinehurst Avenue  
 Carthage, NC  
 910-947-3188

### Directions to the Moore County Center

**From Raleigh:** Travel south on US 1 and take 15-501 towards Carthage. From 15-501 merge onto NC 27. At Energy United Propane, turn left onto Vass Road. Turn right onto Saunders Street. Go two blocks and turn left onto Pinehurst Avenue. The Moore County Extension Center is located on the left.

**From Troy:** Follow Hwy 24/27 into Carthage. Go to stoplight and take right onto Hwy 22. Just outside the city limits, look for sign Moore County Office Park on the left. This is Pinehurst Avenue, the Extension Center/ Agricultural Center is on the right.

**From Asheboro:** Take 220 bypass to Hwy 24/27 exit to Biscoe. Follow same directions as above from Troy.

**From Southern Pines, Aberdeen:** Follow 15-501 to Hwy 22 at Hillcrest. Take left. Go about 1 1/4 miles and look for Moore County Office Park sign on right. Take right for 1/4 mile and the Extension Center/ Agricultural Center will be on the right

The Extension Office is located directly behind the Moore County Health Department

Whether you are a new or multi-generation Peach Grower, then join us **January 23, 2024** for the NC Peach Growers' Society Annual Meeting . Listed below are the topics to be presented. Also, check out the Peach Growers Information Portal, just follow the link for any workshops, news and updated research <http://peaches.ces.ncsu.edu/>

**Peach Production Workshop**

**January 22, 2024**

**2:00 PM—4:00PM**

**Sandhills Research Station**

The North Carolina Peach Growers' Society and Specialist from North Carolina State University will be putting on a peach production workshop at the Sandhills Research Station (2148 Windblow Rd, Jackson Springs, NC 27281)

Participants will get a chance to view successful cultural practices for peaches in the Sandhills area, including training and pruning, use of rootstocks, current varieties, weed control, and irrigation.

Come prepared with questions that can be addressed in a field setting.
